KINGDOM INVESTMENT WITH THE EFCC

**We exist to help lives be transformed
by the power of the Gospel**

Accomplishing a vision like ours (above) requires two things: **leadership & resources**. Here are some key ways in which we invite you to support this vision financially:

1. Partners in Ministry & Friends in Ministry
Individual financial support of our leadership.

2. Fair Share

How churches directly contribute to the broader EFCC movement (set at 2.5% of annual budget, or \$32.50/person per year).

3. Albert J. Bergsma Legacy Fund

This fund assists with assessment, training and coaching of church planters.

4. EFCCM & National Mission Projects

Support teams who donate to EFCCM and EFCC projects and their personnel.

The EFCC has partnered with Abundance Canada, who assists with financial tools including wills & estates. With a rep in each province, we encourage you to invite them to your church! Contact them through:

www.abundance.ca
